ACTIVITIES FOR HOME

CRAFT SAFETY: Adult supervision is required for any arts & crafts project. Observe children closely and intervene as needed to prevent potential safety problems and ensure appropriate use of materials. Some craft items are potential choking hazards for young children. Avoid use of small parts with children ages 3 or younger. Read all manufacturers' warnings before using arts & crafts supplies.

POP-UP SUNCATCHER

WHAT YOU'LL NEED:

- Cardboard
- Tissue paper
- Non-toxic craft glue
- Non-toxic marker
- Safety scissors
- Vellum paper
- Paint brush
- Pencil

⚠ **CAUTION: The cutting edges of scissors are sharp, and care should be taken whenever cutting or handling. Adult use of safety scissors recommended for children 3 years or younger.**

1. Place a piece of cardboard on a flat surface.

2. Use a pencil to sketch a turtle with a window for the stained glass effect.

3. Cut out the turtle you sketched out.

4. Get a piece of vellum paper, tissue papers that are cut into small pieces, and cardboard to use as a protective mat.

5. Use craft glue to attach the pieces of tissue paper to the vellum paper to create the stained glass effect. Let it dry.

6. Cut the dried stained glass vellum paper in the shape of the turtle shell, and glue it to the back of the cardboard shape.
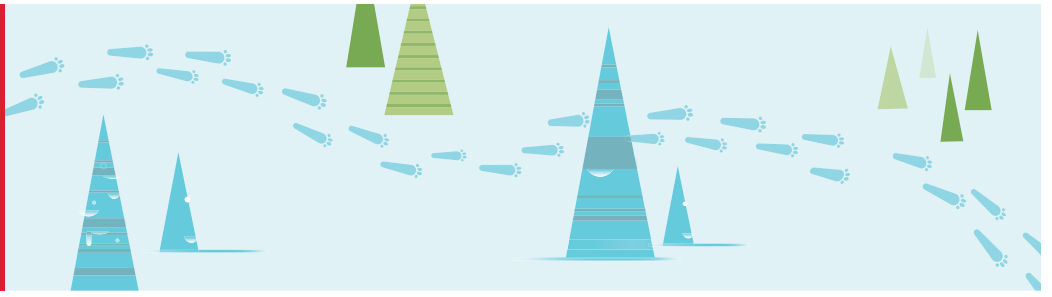

7. Use a marker to draw on details.

8. Cut out small stands out of cardboard.

9. Glue the stands to the back of your craft.

10. When it is dried, stand up your craft.
